\$24⁹⁵

The PermaPrint Deluxe Check Protector produces the distinctive amount. Just a simple setting of the numeral levers, then the entire amount is printed in a single quick operation.

Amazing new "porous rubber" printing principle brings this vital check protection at a fraction of the cost of conventional complex checkwriting machines.

- Beautifully styled in beige and chrome.
- Compact and lightweight—Stores handily anywhere.
- Prints hundreds of checks with indelible, highly penetrating red ink with each inking.
- Ink supply for years of service stored in leakproof compartment inside machine.
- Adapts to all check sizes and styles.
- Rugged construction—Lifetime permanent finish.
- Guaranteed unconditionally by Factory for 2 years.
